X _____

Terms & Conditions

Hours of Service—All Tune-Ups, free diagnostics and warranty work performed under this plan must occur Monday through Friday 8am-5:00pm

Maintainable Condition—This plan assumes the equipment is in maintainable condition. Should repairs or replacements be found necessary upon initial inspection, recommendations for required repairs or replacements will be submitted to the owner for approval.

Not all items are applicable to every system. Technician will need access to water and electrical power to complete service. 1 year warranty on repairs only continues only if the CMP remains in effect.

One Free Visit—This plan includes one free diagnostic charge. Any repairs required will be quoted at the 15% discounted rate. The free visit must occur during regular business hours.

Notification of Service—You will receive notification by phone, email or text when it is time to schedule a maintenance visit. You will receive only one notification and unused visits will be forfeited on the plans expiration date.

Payment—This plan does not take effect and no discounts can be given until full payment is received. No service will be rendered under this agreement on past due accounts.
